Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

In response to the Notification of Missing Requirements dated August 15, 2001, (copy submitted herewith) which states that the application does not contain a "Sequence Listing" on paper copy or compact disk, or in computer readable format, reconsideration and withdrawal of the objection to the sequence listing are requested for the reasons discussed below. Inasmuch as the two-month shortened statutory period was originally set in the Office Action to expire on October 15, 2001, Applicants hereby request an extension of time for one month and are concurrently filing a formal Request for Extension of Time, together with all requisite fees therefor. If for any reason the formal Request for Extension of Time is not associated with the file at the Patent and Trademark Office or the extension fee is deficient, this should be considered to be an express request for any necessary extension of time and authorization for the Commissioner to charge any necessary extension of time fee to Deposit Account No. 19-0089.

Rec'd PCT/PTO 15 NOV 2001

P20825.P12

Applicant notes that paper and computer readable forms of nucleotide sequence listings are being filed herewith. In accordance with 37 C.F.R. 1.821(f), the undersigned hereby states that the information recorded in the computer readable form is identical to the written sequence listing. Applicant hereby states that the submission, filed in accordance with 37 C.F.R. 1.821(h), herein does not include new matter.

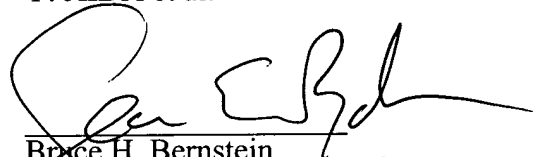

In view of the above, Applicants respectfully submit that the objection to the sequence listing should be withdrawn.

Applicants further note that the Notification of Missing Requirements stated that Applicants must furnish a surcharge for providing the oath or declaration later than the appropriate 20 or 30 month from the priority date. Applicants submit that the surcharge fee was paid on June 25, 2001 with check number 37685, in response to the Notice of Missing Requirements dated April 24, 2001. A copy of the check and transmittal sheet which accompanied the June 25, 2001 filing, and a date-stamped mailroom receipt is included. Accordingly, no additional fee should be needed. However, if for any reason the objection is maintained, this should be considered to be an authorization for the Commissioner to charge any necessary fee to Deposit Account No. 19-0089.

If there are any comments or questions, the undersigned may be contacted at the below-listed telephone number.
